

BILAL RANJHA

PYTHON DJANGO DEVELOPER

0334-3952484

bilalranjhadeveloper@gmail.com

Kotmomin , Sargodha

SUMMARY

Experienced Python Django Developer with over 3 years of hands-on experience in backend development, REST API design, and automation. Proficient in frameworks like Django REST Framework (DRF), Flask, and FastAPI, with strong expertise in web scraping, automation, and frontend integration. Adept at working in collaborative, agile environments and delivering scalable, efficient backend solutions. Currently expanding skills in ReactJS for full-stack development.

SKILLS

BACKEND

- Django DRF
- Flask
- FastAPI

WEB SCRAPING & AUTOMATION

- Requests
- BeautifulSoup
- Selenium
- PyAutoGUI

FRONTEND

- Html CSS
- Javascript
- ReactJS

DEPLOYMENT & HOSTING

- Render
- PythonAnywhere
- DigitalOcean (theoretical knowledge)
- AWS (theoretical knowledge)

DATABASES

- Mysql
- PostgreSQL
- sqlite3

EXPERIENCE

PYTHON DJANGO DEVELOPER

Wanile Technologies – Lahore (Onsite)

2024 – 2025

- Developed and maintained backend systems using Django REST Framework.
- Integrated third-party APIs and ensured seamless collaboration with frontend teams.
- Implemented automation scripts for data extraction and routine operational tasks.
- Gained hands-on experience in ReactJS, contributing to minor frontend features.
- Participated in code reviews, debugging, and optimization tasks for ongoing projects.

PYTHON DEVELOPER (INTERN → JUNIOR DEVELOPER)

Epazz – Lahore (Onsite)

2023 – 2024

- Completed internship leading to a full-time role as a Python Developer.
- Worked on multiple backend projects using DRF, Flask, and basic FastAPI.
- Created web scraping utilities using Requests, BeautifulSoup, and Selenium.
- Contributed to in-house automation tools leveraging PyAutoGUI.
- Collaborated in API development and database management for various client projects.

FREELANCE PYTHON DEVELOPER

Self-Employed (with Senior Developers)

2023 – Present

- Collaborated with senior developers on various freelance projects involving Python Django, DRF, and web scraping.
- Assisted in building backend APIs, data automation scripts, and deploying small-scale web applications.
- Participated in client requirement analysis, testing, and code optimization for diverse projects.
- Enhanced hands-on experience by working on real-world tasks beyond organizational projects.

EDUCATION

INTERMEDIATE COMPUTER SCIENCE (ICS)

Govt Associate college

2021-2023
